

## **Books for Review**

**Sam Beck, Cornell University**

**David Kideckel, Central Connecticut State University**

We have at last begun to get our book review house in order and books are beginning to be regularly received. Currently we have review copies of:

The Peoples of the Soviet Union by Viktor Kozlov

The Soviet Way of Crime: Beating the System in the Soviet Union and the USA Lydia Rosner.

If you are interested in reviewing any of these please contact David Kideckel.

Beginning with the next issue, Laszlo Kürti, Anthropology Department, American University, Washington, DC, will formally take over the chore of Book and Film review Editor. Please submit future suggestions for and copies of book and film reviews to him.
