

## GENERAL INDEX.

---

	Page.
Accidents in mines during the year 1900.....	468
Fatal .....	473
Minor .....	468
Serious .....	471
Acknowledgements .....	32, 527
Adams County, oil developments in 1900.....	491
Blue Creek Township.....	491
Jefferson Township .....	492
Wabash Township .....	492
Alexandria, oil developments near in 1900.....	400, 506
Anticlines .....	482
Ashley, Geo. H., paper by.....	31
Batrachians, new, paper on.....	759
Bedford Portland Cement Company.....	328
Blackford County, oil developments in 1900.....	501
Harrison Township .....	501
Licking Township .....	502
Washington Township .....	502
Blatchley, W. S., papers by.....	1, 31, 322, 481, 759
Broad Ripple, Indiana, oil developments near in 1900.....	510
Charlestown, Silver Creek Hydraulic limestone near.....	354
Clay County, hand or pick mines in.....	424, 426
Machine mines in.....	421
New mines in.....	441
Coal, geological number of seams mined.....	421
Tons produced in 1900.....	421, 439
Trade and mining conditions of in 1900.....	432
Daviess County, hand or pick mines in.....	426
Machine mines in.....	422
New mines in.....	442
Delaware County, oil developments in 1900.....	507
Liberty Township .....	509
Washington Township .....	507
Devonian of Indiana, fossils and stratigraphy of.....	529
Epperson, James, report of.....	418
Fisher, Hamilton County, oil developments near.....	510
Fountain County, hand or pick mines in.....	426

	Page.
Gas, natural (see Natural Gas).	
Grant County, oil developments in 1900.....	499
Center Township .....	499
Mill Township .....	500
Monroe Township .....	501
Van Buren Township.....	501
Greene County, hand or pick mines in.....	427
Machine mines in.....	422
New mines in.....	443
Hartford City, oil developments near.....	402, 502
Hoisting engineers for mines, examination of.....	455
Huntington County, oil developments in 1900.....	496
Jefferson Township .....	498
Salamonie Township .....	496
Hydraulic limestone, paper on.....	331
Indiana Oolitic limestone, occurrence of.....	390
Paper on .....	390
Physical characteristics of.....	390
Production and price of.....	392
Recent developments of.....	391
Statistics of industry of.....	393
Inspector of Mines, report of.....	418
Jasper County, oil developments in 1900.....	522
Jay County, oil developments in 1900.....	493
Green Township .....	493
Jackson Township .....	493
Penn Township .....	493
Jeffersonville limestone .....	346
Kindle, E. M., Paper by.....	529
Knobstone .....	340
Knox County, hand or pick mines in.....	427
New mines in.....	445
Leach, J. C., report of.....	394
Lexington, Scott County, Hydraulic limestone near.....	357
Loogootee, Indiana, oil developments near.....	519
MacFadden, C. K., quoted.....	522
Machine mines, list of.....	421, 451
Marion Indiana, oil developments near in 1900.....	401, 499
Martin County, hand or pick mines in.....	428
Medarysville, oil developments near in 1900.....	523
Miami County, oil developments in 1900.....	504
Erie Township .....	504
Mine Bosses, examination of.....	455
List of .....	460

	Page.
Miners, wages paid to in 1900.....	440
Oil inspected .....	480
Mines, abandoned in 1900.....	450
Changes in ownership of.....	474
Fatal accidents in.....	473
Improvements in .....	454
Minor accidents in.....	468
New mines opened in 1899 and 1900.....	441
Names of in Indiana.....	421, 460, 464
Number of persons employed inside of.....	421
Number of persons employed outside of.....	421
Reopened in 1900.....	449
Report of State Inspector of.....	418
Serious accidents in.....	471
Small, statistics of.....	458
Tons of coal produced in.....	421
Natural Gas, anti-waste law.....	400
Compressing stations of .....	411
Condition of wells of.....	409
Consumption of .....	414, 415
Duties of State Supervisor of.....	395
Escape from wells.....	399
Field of in Indiana.....	407
Inspection of wells of.....	395
Inspection of pipe lines of.....	396
Laws of Indiana relating to.....	397
Oil developments in territory of.....	399
Origin of .....	483
Plugging of abandoned wells of.....	403
Pressure of in pipe lines.....	404
Report of State Supervisor of.....	394, 406
Rock pressure of .....	412
Use of in flambeau lights.....	398
Waste of .....	414
Natural Gas Wells .....	409
Escape of gas from.....	399
Inspection of .....	395
Plugging of .....	403
Natural Rock Cement.....	1, 348
Analyses of .....	366
Burning of .....	371
Capacity and equipment of mills of.....	389
Firms connected with industry of.....	377
Banner mill .....	381
Beach mill .....	377
Black Diamond mill.....	380
Black Diamond River mill.....	388
Clark County mill.....	383
Falls City mill.....	382
Gheens mill .....	378

	Page.
Globe mill .....	382
Golden Rule mill.....	384
Hausdale mill .....	386
Haymaker mill .....	387
Hoosier mill .....	381
Hulme mill .....	388
K. & I. mill.....	386
Ohio Valley mill.....	379
Queen City mill.....	387
Sable & Gilmore mill.....	380
Speed mills .....	384
Standard mill .....	388
United States mill .....	384
Grinding of .....	371
Industry of in Indiana.....	375
Table of tests of.....	375
Testing of .....	375
Production of in Indiana.....	376
New Albany black shale.....	340, 532
Oil Inspection, list of deputy State Supervisors of.....	477
Report of State Supervisor of.....	477
Oils, crude (see Petroleum).	
Illuminating, total number of barrels inspected.....	478
Oolitic Limestone, industry in Indiana.....	390
Occurrence of .....	390
Paper on .....	390
Physical characteristics .....	390
Production and price of.....	392
Recent developments of.....	391
Statistics of industry of.....	393
Parke County, hand or pick mines in.....	425, 428
Machine mines in.....	422, 423
Parker, Indiana, oil developments near in 1900.....	509
Pendleton sandstone .....	347
Perry County, hand or pick mines in.....	429
New mines in.....	446
Peru, oil developments near in 1900.....	504
Petroleum, Corniferous rock, paper on.....	515
Cost of operating a lease.....	489
Cost of a producing well.....	488
Industry in Indiana in 1900.....	481
Main field in Indiana, topography of.....	490
Origin of .....	482
Pools of .....	484
Salt water in wells of.....	487
Statistics of Indiana field for 1900.....	511
Surface indications of.....	485
Surface levels of wells, necessity for.....	485
Trenton rock, paper on.....	481

	Page.
Phosphatic pebbles in Sellersburg limestone.....	342
Pike County, hand or pick mines in.....	428
Machine mines in.....	423
New mines in.....	445
Pipe lines for natural gas, extensions of.....	410
Inspection of.....	396
Pressure maintained in.....	404
Pleistocene terraces near Jeffersonville.....	360
Preglacial channel.....	363
Rich Valley, oil developments near in 1900.....	505
Rockford Goniatite limestone.....	340
Salamanders, descriptions of two new.....	759
San Pierre, oil developments near.....	526
Sellersburg limestone.....	341
Siebenthal, C. E., paper by.....	331, 390
Silver Creek Hydraulic limestone, analyses of.....	366
Composition of.....	364
Paleontology of.....	339
Paper on.....	331, 345
Quarrying.....	368
River region, Clark County.....	348
Silver Creek region.....	350
Stratigraphy.....	334, 339
Texture of.....	364
Topography of the region of.....	359
Sullivan County, hand or pick mines in.....	429
Machine mines in.....	423
New mines in.....	446
Supervisor of Natural Gas, duties of.....	395
Report of.....	394
Synclines.....	482
Terre Haute agreement.....	434
Oil developments near.....	517
Trenton Rock, petroleum, paper on.....	481
Porous portions of.....	481
Vanderburg County, hand or pick mines in.....	430
Machine mines in.....	424
Vermillion County, hand or pick mines in.....	430
New mines in.....	448
Vigo County, hand or pick mines in.....	429
Machine mines in.....	423
New mines in.....	447
Wabash County, oil developments in.....	505
Warren, Indiana, oil developments near.....	496

	Page.
Warrick County, hand or pick mines in.....	431
Machine mines in.....	424
New mines in.....	449
Wells County, oil developments in 1900.....	494
Chester Township .....	495
Jackson Township .....	496
Liberty Township .....	495
Nottingham Township .....	494
Wheatfield, oil developments near in 1900.....	525
Zaring, W. C., report of.....	477
