## New Textbook from TRICKSTER Press

### *The Emergence of Folklore in Everyday Life: A Fieldguide and Sourcebook*

Edited by George H. Schoemaker

This *textbook* looks at folklore and its emergence in the social lives of human beings and will be an indispensable tool for beginning students of folklore. Each chapter reviews the scope of each topic and suggests many different possibilities for student projects. This book also features definitions of key terms and concepts, and explanations of possible collecting techniques including technological considerations. In addition, it will discuss theoretical frameworks for interpreting data and provide numerous examples from the fieldwork of the contributors to help students envision their own finished product. A selected annotated bibliography of some useful sources, and several photographs and illustrations enhance the value of this guide.

#### TOPICS INCLUDE

Ethics and Fieldwork  
Women's Issues and Gender  
Ethnic Folklore  
Afro-American Folklore  
Native American Folklore  
Family Folklore  
Children's Folklore

***Log Buildings of Southern Indiana***

By Warren E. Roberts

Based on a careful examination of buildings in Southern Indiana built throughout the nineteenth century, this book deals with aspects of Anglo-American and German building techniques in folk architecture of the area. It is well-illustrated with over 80 photographs and line drawings. An indispensable book to scholars interested in folk architecture from one of America's leading scholars in this field.

ISBN 0-915305-00-3 (1984) Pp.231

\$10.00

***Folklore on Two Continents: Essays in Honor of Linda Dégh***

Edited by Nikolai Burlakoff and Carl Lindahl

This collection of essays honoring the distinguished career of Linda Dégh represents a significant work of contemporary folkloristics that features an international assemblage of scholars. Forty-five contributions address a wide range of issues in the study of folk narrative; legend and belief; genre; style, form, and symbol; the biology of storytelling; and the folklorist and the folk. This volume is essential reading for any scholar concerned with international perspectives of important folkloristic issues.

ISBN 0-915305-01-1 (1980) Pp.388
