Herman B. Wells
President Emeritus

Energetic, shrewd, and charming, Herman B. Wells was the driving force behind the transformation of Indiana University—which became a model for American public higher education in the 20th century. A person of unusual sensitivity and a skilled and empathetic communicator, his character and vision shaped the structure, ethos, and spirit of the institution in countless ways. Wells articulated a persuasive vision of the place of the university in the modern world. (Source)
