
FSSE 2017
Respondent Profile
FSSE 2017 Aggregate

The display below highlights details in the FSSE *Respondent Profile* report that are important to keep in mind when interpreting your results. For more information about the survey, please visit our website (fsse.indiana.edu) or contact a member of the FSSE team.

1. **Sample:** The FSSE *Respondent Profile* report is based on information from all faculty at your institution who responded to the survey based on their experiences teaching either a lower- or upper-division course. Faculty who responded based on another type of course or who did not report the course level are not included in this report.
2. **Class level:** Frequency distributions are reported separately for faculty who teach lower-division and upper-division courses.
3. **Item numbers:** Item numbering corresponds to the survey facsimile included in your *Institutional Report* and available on the FSSE website.

4. **Item wording:** Survey items are in the same order and wording as they appear on the instrument.
5. **Response options:** Response options are listed just as they appear on the instrument.
6. **Count and column percentage (%):** The Count column contains the number of faculty who selected the corresponding response option. The column percentage represents the percentage of faculty selecting the corresponding response option.
