

Acknowledgements

This special issue would not have been possible without the help and support of our colleagues and co-authors. Special thanks goes to co-editor-in-chief of the *Journal of Muslim Philanthropy & Civil Society*, Shariq Siddiqui, and managing editor, Rafia Amina Khader. We are profoundly grateful for their constant support as we put this special issue together. We would also like to thank our anonymous reviewers who proofread every article along the way and provided us with valuable feedback, and Ivo Geers for the copy-editing process. On a final note, we would also like to give acknowledgment to STyx for releasing the map featured on the cover of this issue into the public domain. We are very grateful to every single one of you.
