

Addictions Grand Challenge Policy Seminar Series

Dr. Jeffery Talbert, “State Policy Options to Address the Opioid Crisis”

Dr. Talbert will present an overview of the status of the opioid epidemic, review a range of state policy interventions and outcomes, and discuss lessons learned and future challenges.

Jeffery Talbert, Ph.D., is a professor in the Department of Pharmacy Practice and Science, UK College of Pharmacy, Director of the Institute for Pharmaceutical Outcomes and Policy, and Associate Director of the UK Center for Clinical and Translational Science. He received his B.S., M.A., and Ph.D. degrees from Texas A&M University. Professor Talbert has research interests in pharmaceutical policy, Medicaid policy, and public health informatics.
