Title	M.E. Grenander Department of Special Collections & Archives, University at Albany ↗
Publisher	University at Albany
Description	The principal purpose of The M. E. Grenander Department of Special Collections and Archives is to collect, preserve, provide access to, exhibit, and encourage use of the University Libraries' unique manuscript and archival materials, the official records of the University, rare books, and printed materials. These materials are acquired by gift or purchase and serve the current and future research interests of faculty, students, and others affiliated with the University as well as other researchers from the region and beyond.
