Assistants, List of 3
Barrett, Edward, State Geologist, Paper by 7
Barrett, Wendell 156
Bigney, A. J. 211
Bushnell, T. M. 109, 156
Contents, Table of 4
Culbertson, Glenn 223
Dearborn County, Geology of 211
  Archaeology 221
  Economic Geology 214
  Geology 212
  Glacial Drift 220
  Historical Statement 211
  Location and Size 211
  Paleontology 215
  Soils 218
    Conservation of the Soil 219
  Topography 211
Erni, C. P. 109
Fountain County Soil Report 200
  Climate 209
  Soil Discussion 201
  Clyde Series 206
    Clyde Silty Clay Loam 206
  Fox Series 208
  Genesee Series 208
  Miami Series 207
Grant County, Soil Survey of 72
  Agriculture 76
  Climate 74
  Description of the Area 72
  Soils 85
    Bellefontaine Loam 96
    Clyde Silty Clay Loam 97
    Crosby Silt Loam 93
    Crosby Silty Clay Loam 95
    Fox Loam 101
    Genesee Loam 102
    Genesee Silt Loam 104
    Miami Silt Loam 88
    Miami Silty Clay Loam 91
    Muck and Peat 105
  Summary 107
