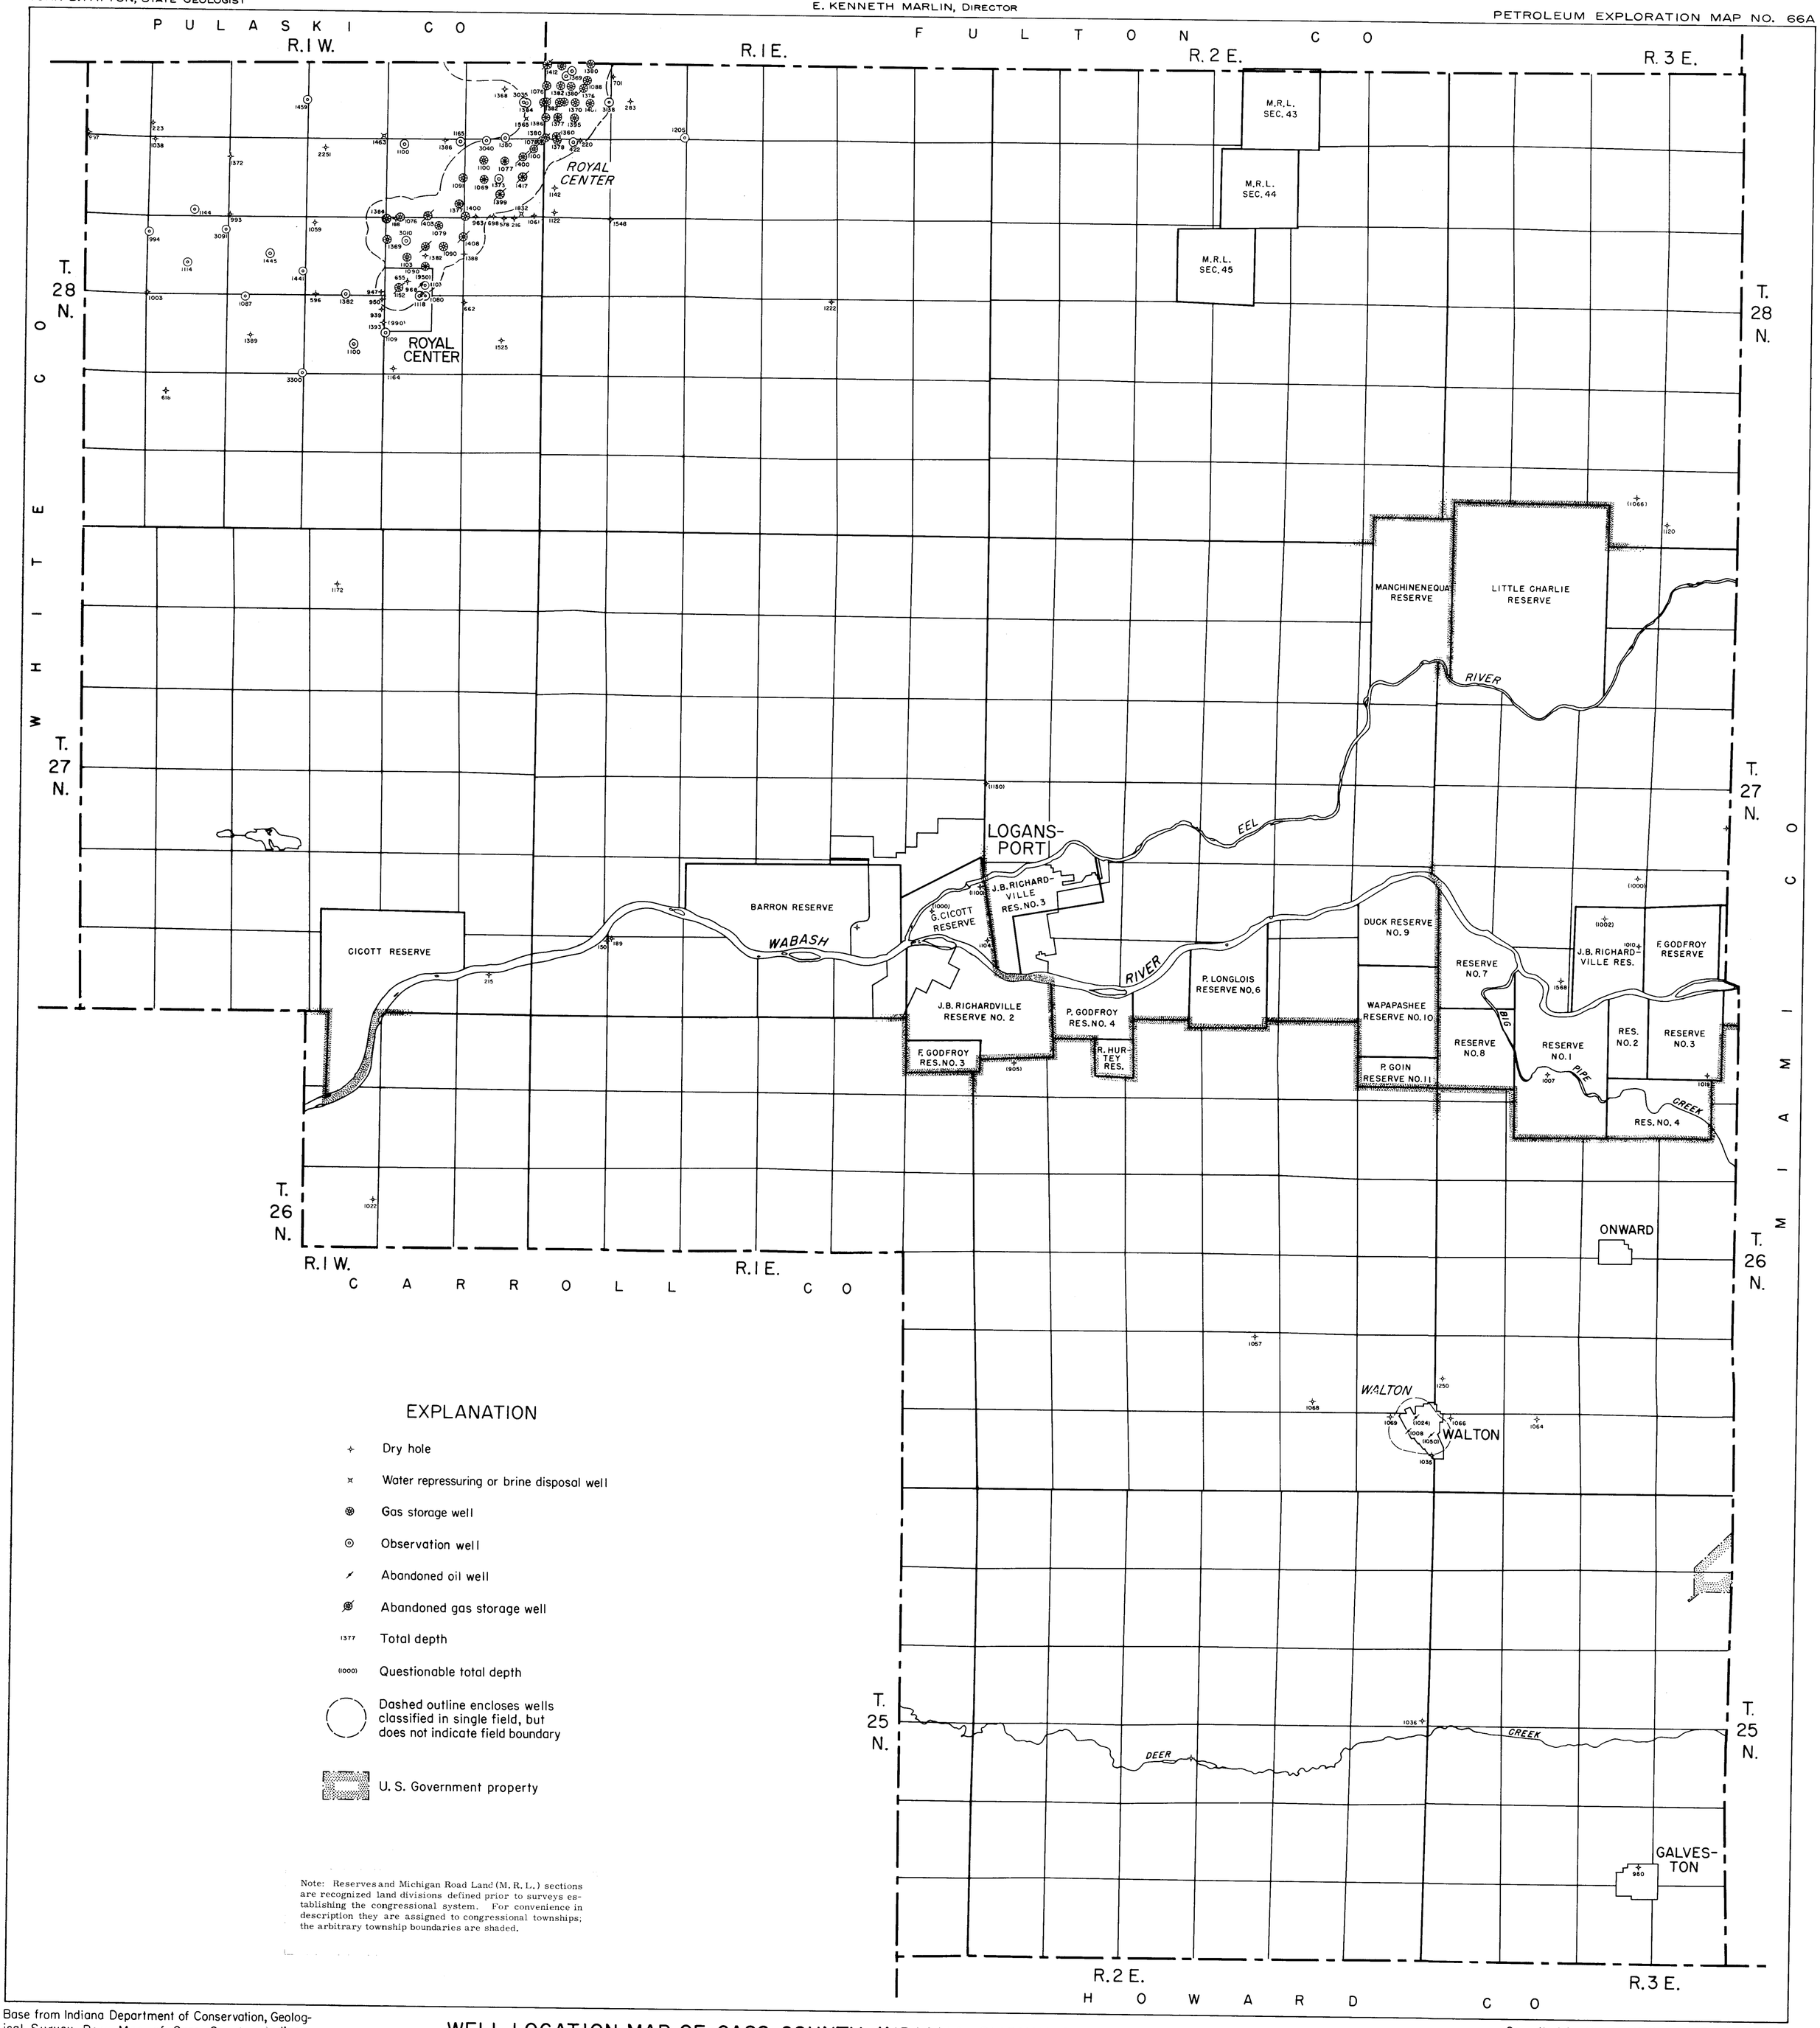
PETROLEUM EXPLORATION MAP NO. 66A



EXPLANATION

- Dry hole
- Water repressuring or brine disposal well
- Gas storage well
- Observation well
- Abandoned oil well
- Abandoned gas storage well
- 1377 — Total depth
- (1000) — Questionable total depth
- Dashed outline encloses wells classified in single field, but does not indicate field boundary
- U. S. Government property

Note: Reserves and Michigan Road Land (M. R. L.) sections are recognized land divisions defined prior to surveys establishing the congressional system. For convenience in description they are assigned to congressional townships; the arbitrary township boundaries are shaded.

Base from Indiana Department of Conservation, Geological Survey, Base Map of Cass County, Indiana, published August 22, 1955.

WELL LOCATION MAP OF CASS COUNTY, INDIANA, SHOWING TOTAL DEPTH OF WELLS

Scale approximately 1 inch to 1 mile
