GENERAL INDEX.

	Page
Accidents to coal miners	222
mine property	267
Adams County, petroleum industry in	364
Alluvial soils	282, 299, 308, 328
Analyses of Indiana coals	37, 40, 144
Ashley, George H., paper by	13
Assistants, list of	6
Barnett, V. H., paper by	393
Blackford County, petroleum industry in	363
Blatchley, W. S., paper by	359
Block coal, lower	113
upper	112
Brazil Block Agreement	173
British Thermal Unit, or B.T.U.	38
Cannelton-Shoals coal	115
Clay County, coals of	123
Climate of southwestern Indiana	283
Coals of Indiana, chemical properties of	35
combustion of	37
commercial and economic character of	41
distribution of by counties	20
domestic use of	47
experimental tests of by U. S. Government	43
fuel value of	38
kinds of	33
physical properties of	34
quantity of	135, 138
smokeless combustion of	45
ultimate analysis of	35
weathering of	53
Coal VII	97
VI	101
V	103
IV	106
III	107
II	109
Block, upper	112
Minshall	109
Coal beds of Indiana, stratigraphic chart of	145
cost of Indiana	24
deposits of Indiana	13
general facts concerning	17

Page
industry in Indiana, history of 26
market for Indiana 24
measures in Indiana 54
miners, tables of 159, 205
accidents to 222
mining legislation 257
mines, abandoned, list of 189
directory of 211, 270
production in Indiana, summary of for 1908 156
quantity of in Indiana 23
statistics of by counties 182, 191
tons produced in Indiana in 1908 10
trade in Indiana, conditions of in 1908 158
Corniferous rock petroleum in Indiana in 1908 373
Crawford County, coals of 128
soil survey of 316
Daviess County, coals of 65, 127
soil survey of 343
Delaware County, petroleum industry in 366
Directory of coal mines 211, 270
