

Base modified from U. S. Geological Survey Base Map of Indiana, 1973 edition.

**BEDROCK GEOLOGIC MAP OF INDIANA**

By Henry H. Gray, Curtis H. Ault, and Stanley J. Keller

Compiled from original data and published source. Principal responsibilities: Keller, northern Indiana; Ault, Silurian, Middle Devonian, and Middle Pennsylvanian rocks; Gray, Upper Ordovician, Mississippian, and Lower Pennsylvanian rocks; Kentland area from unpublished work by Daniel S. Tabor; Knox and other units on cross-sections from unpublished work by John B. Droste. Drafted by Roger L. Purcell.
