

ERRATA

p. 297, paragraph 2, line 3 should read: "Richard Reuss' "American Folklore and Left Wing Politics 1927-1957" and R. Serge Denisoff's "Folk Consciousness: Peoples Music and American Communism". . .

REQUEST

The staff of the Folklore Forum has grown increasingly disenchanted with present printing methods and quality (mimeograph stencil) and would appreciate hearing from readers who could suggest some alternatives which are compatible with rising publication costs.

It costs approximately \$250 to print 400 copies of the Forum, therefore so we are hoping to be able to consider alternatives which are somewhat competitive with this cost.
