

Thesis:

“The Montessori method should be the focal point in all learning environments. It effectively addresses a diverse set of learners through a meaningful and individualized practice.”

Flow Theory:

[video](#)

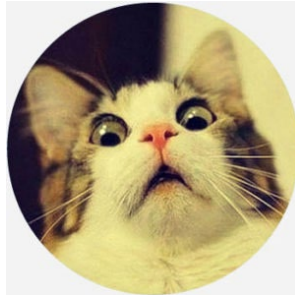

Play

-The designer of a program called LiINK took a trip to Finland for 6 weeks, as their education system is highly successful.

-The biggest difference, PLAY, and a lot more of it.

-Think about it, Michael Jordan entered “The Zone” right after the time out.

Mind = Blown!

Intrinsic Motivation

-Montessori Educators never say “Good Job”.

-The student takes the ownership.
