

Hello,

If you are over 18 years old, you are invited to participate in a research study on mental health and environmental hardships. This study was developed by Dan Hall, a psychology student at Indiana University Southeast, under the faculty supervision of Dr. Brittany A. Sizemore. If you choose to participate in this study, you will be completing a short (10-minute) survey online.

There is no payment for being part of the study, and you can quit the survey at any time. If you are interested in participating in the survey, please click on the link below. Thank you!
