

# 3 WALKS OF LIFE, 2 NATIONS, 1 PROJECT

*"Books & Beyond connects IU students, Bloomington elementary and middle school students, and Kabwende Primary students through stories and education. During my time with B&B, I've had the opportunity to work with all three schools, and I've learned so much about teaching, leadership, and sharing experiences. My time at college would definitely have been less fulfilling without Books & Beyond."*

*—Abigail Hamilton, Books & Beyond Student Director, 2015–2016*

*"Our students gained so much from contributing to the Books & Beyond project. This opportunity to write for a greater purpose, become published authors, and connect with students in Rwanda was a significant piece of this school year."*

*—Jim Morrison, The Project School*

*"Our students were overjoyed to become part of a project that actually makes a difference in the world. For us as teachers, it was important to see our students collaborate and work together toward a common goal. I think that the experience taught them a lot about teamwork, compromise, and accomplishment."*

*—Matt Rosenthal, Harmony School*
