

Requests for Papers in Indiana History

The Indiana Historical Society has instituted sessions at its November annual meeting for the presentation of scholarly papers in Indiana or midwestern history. In 1977 there were sessions in economic and political history with six papers being presented. In order to begin planning for next year's program, the historical society is inviting interested historians, including students, to submit proposals for papers to be presented at the 1978 annual meeting. The deadline for submission is June 15, 1978.

The Indiana Historical Bureau has recently published *Gentlemen From Indiana*, a collection of essays profiling Hoosier candidates for president and vice president. The bureau is now considering the publication of a companion volume that would examine the lives and careers of other Indiana political figures, including elected and appointed officials and party functionaries. Persons who have undertaken research concerned with such individuals (or who might be interested in doing so) are encouraged to write the Director, Indiana Historical Bureau, 140 North Senate, Indianapolis, Indiana 46204. Please include a brief synopsis of relevant past or projected research as well as a description of any previous publishing experience.
