

old catalogs, however, contain lists of all previous graduates. The alumni are given by classes, then by location, and finally in alphabetical order with class numerals. The university has conferred degrees on 6108 different persons of whom 5243 are reported living.

Special Report of State Board of Accounts of Indiana Information for the Public Concerning the Examination and Investigation of Public Offices, By GILBERT H. HENDREN, State Examiner, Indianapolis, 1917; pp. 57, paper.

This is a general statement of the scope, work and methods of the board. Last year it secured the return of approximately \$237,000 to the public funds. The total expense of the board was about \$162,000; this of course is only a trifle in comparison with what it saved by prevention. So drastic is the law under which it operates and so carefully is the work of auditing performed that grafting is almost impossible in the public offices of the State.

The Eleventh Annual Report of the Indiana Village for Epileptics at Newcastle for the period ending Sept. 30, 1916. By W. C. VAN NUYS, Supt., pp. 48. Paper.

This institution has had a daily average attendance of 218. Only males have been admitted. A separate group of buildings for females is in process of construction. During the year 118 have been admitted; 28 discharged as unimproved; 22 have died. Statistical tables are included showing age, nativity, color, education, alleged causes of disease, previous occupation, location by counties, and per capita cost of inmates.
