Indiana Magazine of History. We have had a generous response to our appeals for back numbers, especially for those dated later than 1914. We have a serious need for copies of issues from 1905 to 1912. We very much desire to locate the four numbers of volume IV (1908); number one of volume VI (1910); the four numbers of volume VII (1911); the four numbers of vol. VIII (1912). We will buy further copies of the following issues: Dec., 1921; Mar., 1922; double-number June-Sept., 1925.

Full sets of the *Magazine* can be supplied to libraries or individuals who may desire to purchase only with great difficulty. A complete file from 1920 forward can be supplied at fifty-cents a copy or two dollars per volume, unbound; from 1914 to 1919, the price is one dollar per copy, or four dollars per volume; a file from 1905-1913, when it can be supplied at all, must be priced at a much higher figure.

General Index

It was impossible to complete the preparation of copy for the *General Index* for volumes I-XXV in time to print it in either April or May. We are sorry for the delay. The *Index* is now in the hands of the printer, and it will be mailed to those who have ordered it with the current issue or soon thereafter. The price is *one dollar* to anyone who may desire a copy. Further orders should be sent direct to the *Indiana Magazine of History,* Indiana University, Bloomington.
