Census and Pension Research

Although the Indiana University Library has the 1850 and 1860 United States Census in microfilm, it has not been possible for the *Indiana Magazine of History* to secure anyone regularly to read the films when requests have been received. Information has been given to us that professional services may be obtained from the following:

Mrs. W. O. Pruitt
892 National Press Building
Washington 4, D.C.

Mrs. Pruitt is the compiler of Revolutionary War Pension Applicants of South Carolina.

The Genealogy Division of the Indiana State Library, Indianapolis, Indiana, has just acquired the 1850 United States Census in microfilm.
