The Mississippi Valley Historical Association, which met at Indiana University last spring, is to meet at Columbus, Ohio, at the Deshler-Wallick Hotel, April 24, 25, and 26. Ohio State University is acting as host to the association this year. We have seen enough of the program to know that the meeting will be a profitable one for members of the Indiana Historical Society and particularly for those teaching American History in our universities, colleges, and high schools. We hope there will be a good attendance of Indiana people.

Howard H. Peckham has been the instigator of the new cover design and title page of the *Indiana Magazine of History*. We expect this change to meet widespread approval and wish to give credit to him. This is only one instance where thoroughgoing co-operation has characterized his work as the secretary of the Indiana Historical Society and as director of the Indiana Historical Bureau. It is a pleasure to acknowledge his assistance and co-operation.
