### Query 137

I should like information on the following who made land entries in Indiana through the Cincinnati District:

Nancy Davis, T6N, R3W, 1st Principal Meridian, W $\frac{1}{2}$  SW $\frac{1}{4}$  Sec. 2, June 12, 1818.

Benjamin D. Davis, T2N, R3W, 1st Principal Meridian, SW $\frac{1}{4}$  Sec. 6, December 4, 1816.

Nicholas Davis, T2N, R3W, 1st Principal Meridian, SW $\frac{1}{2}$  Sec. 5, August 28, 1815, and other lands.

Also William Davis

Joseph W. Davis, T20N, R14E, 2nd Principal Meridian, W $\frac{1}{2}$  SE $\frac{1}{4}$  Sec. 26, August 29, 1836.

I am particularly interested in Nancy, Nicholas, and Joseph W. Davis. I believe they were from Butler County, Ohio. Did they actually live on the land? Are any of their descendants living in Indiana or elsewhere? Where did they die? Where were they buried?
