As the *Magazine* goes to press the program for the annual Indiana History Conference is not available. The conference, however, is scheduled for Indianapolis, December 9-10. Details regarding program and meeting places may be found in the November issue of the *Indiana History Bulletin* which is regularly mailed to all members of the Indiana Historical Society.

If all goes well this issue of the *Magazine* should reach you in advance of the Conference. In fact, a schedule has been established with the printer which will normally make it possible for the *Magazine* to be received by subscribers during the first week of the months in which it appears.
