Fayette County, Ind., Marriages, 1823-1826

In the March, 1956, issue of the *Indiana Magazine of History*, Fayette County, Indiana, marriages in the first book (1819-1822) were printed. The second book is called Book A. Also unpagged, this book lists the earliest marriage return as October 3, 1822, and the latest October 12, 1826. The searcher should watch for overlapping dates in 1822-1823 between the first book and Book A and again in 1825-1826 between Book A and Book B, 1825-1833. For instance, a license might be issued in one book and the marriage return recorded in the following book.
