RSVP by December 6<sup>th</sup>

<http://www.indiana.edu/~libugls/INULA>

**January 1, 2006**

### **Professional Development Grant application deadline**

Purpose: Funding is intended to encourage and support the development and presentation of workshops, conferences, lectures and other activities designed to foster the professional development of Indiana University Libraries personnel. This grant is not intended to support individual research projects.

Appropriate Expenses: The Professional Development Grant may be used to cover a variety of expenses related to continuing education activities. Some examples of these expenses are: speaker fees, honoraria or meals or gifts for invited speakers, travel expenses, room/equipment rental fees, publicity, program materials, the purchase/rental of professional development videos, and reasonable entertainment expenses, such as reception costs.

### **Research Incentive Grant application deadline**

#### Categories of Support

1. Seed support of research and research-related activities used to develop a larger research proposal.
2. Funds for research equipment or materials.
3. Travel to support the research project.
4. Publication subsidies.
5. Other needs not defined above, including copying, secretarial services, preparation of graphics for publications, computing services, ILL costs, postage, telephone, etc.

Priorities for Awarding the InULA Research Incentive Fund: The InULA Research Incentive Fund is intended to encourage and support research by providing funding for research projects of any size or scope. All applications will be considered on their merits. In the case of equally meritorious proposals, those of non-tenured librarians may be given priority, because it is often difficult for beginning researchers to obtain research grants.

**March 1, 2006**

**Julieann V. Nilson InULA Scholarship application deadline**

InULA scholarships are intended to encourage and reward the potential for excellence in the library and information science profession.

Any new or continuing full-time or part-time student in the MLS or MIS degree program of the Indiana University School of Library and Information Science (SLIS) at either IUB or IUPUI is eligible to apply. This includes students who have been admitted to SLIS, but who will commence their studies after the scholarship awardee(s) have been announced

Much weight is put on the candidate's statement of purpose, reflecting the personal philosophy of librarianship and career goals. Content and even style are factors in the evaluation of the statement.

<http://www.iu.edu/~inula/opportunities/scholarship/scholguide.html>

Julie Nilson was a very special librarian, who played a large role in InULA and the efforts to obtain and secure faculty status for librarians at IndianaUniversity. She was untiring in her efforts to assist InULA, both in its behind-the-scenes activities and in InULA's public efforts. In honor of her many contributions to InULA, the Board of Directors voted on December 16, 2002 to name the InULA scholarship program in Julie's honors. (Learn more about Julie at: <http://www.indiana.edu/~inula/julie.html>)
