

EVIL

Andi Trowbridge

I know you can see the way he treats me;
I know you can see my tears;
I know you can see my bruises;
 But you turn a blind eye world,
 You can see no evil.

I know you can hear the way he talks to me;
I know you can hear me cry;
I know you can hear my screams;
 But you turn a deaf ear world,
 You can hear no evil.

I know you can say something;
I know you can see what is happening to me;
I know you can say something;
 But you turn a mute mouth world,
 You can speak no evil.

I know you judge me; I can see it in your eyes;
 Please turn your eyes world,
 I can see your evil.

I know you judge me when you hear my story;
Please don't turn a deaf ear world,
You need to hear the evil.

I know you judge me; I hear it in your words;
Please have a mute mouth world,
You speak evil.
