LETTER FROM THE EDITOR

I would just like to say how grateful I am to have been given this opportunity. This is my first year as Editor in Chief of the Undergraduate Research Journal of History, and overall, it has been an amazing challenge. Thank you to the students who took the initiative to submit their marvelous works of academic achievement. Special thanks to Dr. Zwicker, without whom this journal would never have been completed. Thank you so much for your advice, support, and editing suggestions. Also, thank you to Joey Ambrose for his editorial contributions. Your assistance was very much appreciated. This Journal provides students with the wonderful opportunity to see their works published and I hope they are proud of their accomplishments. I hope you all enjoy reading their papers as much as I did.
